

Session Program

3-4 May 2023

ECFA WG3: Topical workshop on calorimetry, PID and photodetectors

Introduction and requirements by future facilities

CERN, 30/7-018 - Kjell Johnsen Auditorium

Wednesday 3 May

13:30

Introduction and requirements by future facilities

Session | **Location:** CERN, 30/7-018 - Kjell Johnsen Auditorium

13:30-13:50

Introduction

Speaker

Felix Sefkow

13:50-14:25

Requirements from future facilities: experimental conditions

Speaker

Giovanni Marchiori

14:25-15:10

Physics drivers for calorimeters

Speaker

Frank Simon

15:10-15:55

Highly granular sandwich calorimeters

Speaker

Vincent Boudry

15:55
