

# MoodleMoot Japan 2024

**Friday 16 February 2024 - Sunday 18 February 2024**

## Scientific Programme

## Moodle site administrators / Moodle DIY

This is for Moodle site and server administrators and you like to roll up the sleeves and DIY.

## Moodle classroom

How do you use Moodle? How are your courses created? How do you teach with Moodle? Please tell all.

## Moodle A.I. / Learning Analytics & A.I. with Moodle

How is learning measured through analytics and data in Moodle?

## Moodle development

Have you built your own Moodle Plug-in or related software component? Have you funded a project for development in Moodle?

## Moodle community

For presentations surrounding and supporting the local and global Moodle communities.
