

Ultra-high frequency gravitational waves: where to next ?

Tuesday 5 December 2023

Mechanical resonators - 4/3-006 - TH Conference Room (09:30 - 10:00)

-Conveners: Sunghoon Jung

time	[id] title	presenter
09:30	[22] Levitated sensor detectors	GERACI, Andrew

Mechanical resonators - 4/3-006 - TH Conference Room (11:30 - 12:30)

-Conveners: Michael Tobar

time	[id] title	presenter
11:30	[24] Bulk Acoustic Wave devices	TABARELLI DE FATIS, Tommaso
12:00	[12] Partially-levitated membranes for high-frequency gravitational wave (HFGW) detection	REINHARDT, Christoph
12:15	[9] Sensing High Frequency Gravitational Waves with Acoustic Resonators: an update on the MAGE experiment	CAMPBELL, William
