

Proposed new format RRBs

17 April 2023

Before the pandemic, the format of the meetings was as follows:

- WLCG always on Tuesday morning.
- Between April and October meetings, CMS and ATLAS swap afternoons (Monday and Tuesday). ALICE and LHCb swap order on Wednesday morning.

| Monday | Tuesday | Wednesday |
|-------------------|-------------------|--------------------|
| | 09:00 WLCG | 09:00 ALICE (LHCb) |
| | (11:00 TOTEM) | 11:00 LHCb (ALICE) |
| 14:00 Plenary | | |
| 16:00 CMS (ATLAS) | 15:00 ATLAS (CMS) | |

Since April 2020 to date :

Hybrid meetings take place only in the afternoon, to maximize remote attendance from different time zones. Added Thursday for the Phase IIb ALICE and LHCb meetings.

| Monday | Tuesday | Wednesday | Thursday |
|-------------------|-------------------|--------------------|--------------------------------|
| | | | |
| | | | |
| 14:00 Plenary | 14:00 WLCG | 14:00 ALICE (LHCb) | 14:00 Phase IIb - ALICE (LHCb) |
| 16:00 CMS (ATLAS) | 16:00 ATLAS (CMS) | 16:00 LHCb (ALICE) | 16:00 Phase IIb - LHCb (ALICE) |

Proposed from October 2023:

- WLCG, CMS and ATLAS back to traditional pre-pandemic schedule.
- Regular ALICE and LHCb move to Tuesday, before and after lunch.
- Phase IIb ALICE and LHCb on Wednesday morning: different attendance.

| Monday | Tuesday | Wednesday | Thursday |
|-------------------|--------------------|--------------------------------|----------|
| | 09:00 WLCG | 09:00 Phase IIb - ALICE (LHCb) | |
| | 11:00 ALICE (LHCb) | 11:00 Phase IIb - LHCb (ALICE) | |
| 14:00 Plenary | 14:00 LHCb (ALICE) | | |
| 16:00 CMS (ATLAS) | 16:00 ATLAS (CMS) | | |
