

From Darkness

Don't come to talk,
Don't "prove" by a plot.

Don't measure
incalculable things.

Don't calculate
immeasurable things.

Don't discourage,
Don't clip students' wings.

The Light

**Encourage your
students, give them wings.**

**Do calculate
Measurable things.**

**Do measure to
Clarify the fact.**

**Plot to highlight,
Come to interact.**
