

## Special Issue "Multiparticle Dynamics"

[https://www.mdpi.com/journal/universe/special\\_issues/3R2XYDMCV9](https://www.mdpi.com/journal/universe/special_issues/3R2XYDMCV9)

Deadline for manuscript submissions: **31 December 2023**

### Submission guidelines

We invite all contributors to publish a full paper based on their talks (including invited, contributed and flash /poster talks) presented at ISMD 2023 to a Special Issue of the MDPI Journal Universe for a journal publication. There is no maximal length, and the suggested minimum is approx. 4000 words. Submitted papers should contain novel contents (except for reviews, which are acceptable from senior contributors). For more details, including various article types, please visit: [https://www.mdpi.com/about/article\\_types](https://www.mdpi.com/about/article_types). The manuscripts will undergo anonymous referee review, as per the journal policy.

Correspondingly, the Article Processing Charge (APC) is reduced to an ISMD special 90% discount to an APC of 180 CHF. For more information on this Special Issue and submission guidelines, please visit here ([https://www.mdpi.com/journal/universe/special\\_issues/3R2XYDMCV9](https://www.mdpi.com/journal/universe/special_issues/3R2XYDMCV9))

Here is a simple guide to paper submission, for your convenience:

1. First-time users are required to register before making submissions at <https://susy.mdpi.com>; you can find the instructions at <https://www.mdpi.com/journal/universe/instructions>.
2. Enter your account, click "Submit Manuscript" under Submissions Menu.
3. Input manuscript details from Steps 1 to 5:  
Journal: Universe  
Research Topics: Multiparticle Dynamics
4. You will receive an auto-reply letter confirming your successful submission.
