## Estimating elliptic flow coefficient in heavy ion collisions using deep learning

*Tuesday 22 August 2023 18:15 (5 minutes)*

Flash talk, 4+1 min for discussions, with a possible poster presentation.  
Poster size is B1 = 707 × 1000 (width×height) mm, in portrait orientation.

Flash talk speakers are asked to prepare 4 powerpoint slides and upload them to indico until Tuesday morning. These slides will then be merged into one pdf stream, and presenters will follow each other without any break, with everyone having 5 minutes, including one question and answer, and the speaker change as well.
