## Centrality bias or final state effects ? –study of high $p_T$ $\pi^0$ in d+Au collisions at 200 GeV

*Thursday 24 August 2023 16:45 (10 minutes)*

8+2 min for discussions, on-site presentation

**Author:** Mr SUN, Zhandong

**Presenter:** Mr SUN, Zhandong

**Session Classification:** Hadronic final states in high  $p_T$  interactions
