

# 52nd International Symposium on Multiparticle Dynamics (ISMD 2023)

## Saturday 26 August 2023

### Science Outreach (outreach to secondary schools) (16:30 - 18:00)

-Conveners: Alejandro Ayala

| time  | [id] title  | presenter                 |
|-------|---|---------------------------|
| 16:30 | [1] Science outreach with cosmic rays in the Netherlands      | Prof. TIMMERMANS, Charles |
| 16:50 | [2] Standard Model of Particle Physics and Rubik's 4x4x4 cube | Prof. CSÖRGŐ, Tamás       |
| 17:10 | [3] The Large Hadron Collider and the structure of the proton | Prof. ROYON, Christophe   |
| 17:30 | [4] New physics – what it is and how we are looking for it    | Prof. STASZEWSKI, Rafał   |
| 17:50 | [5] Find your own Odderon!                                    | Ms ZSÓRI, Georgina        |
