

## **Session Program**

**22-23 Jun 2023**

# **Muon Collider Synergies Workshop** ***Sites, Facilities and Infrastructures***

IJCLab Orsay, Pierre Lehmann Auditorium - Bat. 200

# Friday 23 June

13:00

## Sites, Facilities and Infrastructures

**Session** | **Location:** IJCLab Orsay, Pierre Lehmann Auditorium - Bat. 200

13:00–13:20 **High power proton sources in the US**

**Speaker**

Nick Evans

13:25–13:45 **Targetry for pion production in the US**

**Speaker**

Katsuya Yonehara

13:50–14:10 **Muon Facilities Beyond Particle Physics**

**Speaker**

Rhea Stewart

14:15–14:35 **Proton facilities in China**

**Speaker**

Yuan He

14:40–15:00 **Proton and muon applications in Japan**

**Speakers**

Masashi Otani, Dr Masashi Otani

15:05–15:25 **Protons in Europe**

**Speaker**

Nikolaos Charitonidis

15:30
