

UPC 2023: International workshop on the physics of Ultra Peripheral  
Collisions

Contribution ID: 32

Type: **not specified**

**Resummation at small  $x$  and implications for virtual  
photon scattering**

*Thursday 14 December 2023 09:00 (30 minutes)*

**Primary author:** STASTO, Anna Maria (Pennsylvania State University (US))

**Presenter:** STASTO, Anna Maria (Pennsylvania State University (US))

**Session Classification:** Inclusive photonuclear interactions

**Track Classification:** Session 3: UPC and saturation
