

UPC 2023: International workshop on the physics of Ultra Peripheral
Collisions

Contribution ID: 64

Type: **not specified**

Exclusive Vector Meson Physics at the EIC

Friday 15 December 2023 18:45 (30 minutes)

Abstract to be provided

Author: SANTIESTEBAN, Nathaly (University of New Hampshire)

Presenter: SANTIESTEBAN, Nathaly (University of New Hampshire)

Session Classification: Future RHIC and experiments, and the EIC

Track Classification: Session 7: Future LHC experiments and EIC
