

Session Program

25-29 Sept 2023

**16th Topical Seminar on Innovative Particle
and Radiation Detectors (IPRD23)**

Session 13

Siena (Italy)

Thursday 28 September

09:00

Session 13: Liquid and other detectors

Session | **Location:** Siena (Italy) | **Convener:** Ester Ricci

09:00–09:20

Ultra-Pure Liquid Scintillator for JUNO and Beyond

Speaker

Xilei Sun

09:20–09:40

A SiPM-based optical readout system for the EIC dual-radiator RICH

Speaker

Roberto Preghenella

10:00–10:15

Passive particle detectors read out by light-sheet fluorescence microscopy

Speaker

Gabriela Rodrigues Araujo

10:15–10:30

Latest results from the CUORE experiment

Speaker

Davide Chiesa

10:30
