

# SN Ia forecast with ZTF phase III

*Wednesday 29 March 2023 11:20 (10 minutes)*

SN Ia forecast with the third phase of ZTF :  
seeing if it's realistic and useful to change parameters of observations to detect supernovae SN Ia at a redshift of  $z$  below 0.2 and above 0.1, aiming to constrain more the cosmological parameters.

## Title

SN Ia forecast with ZTF phase III
