

Session Program

30-31 May 2023

ECFA WG3: Topical workshop on tracking and vertexing

Introduction and requirements by future facilities

CERN, 31/3-004 - IT Amphitheatre

Tuesday 30 May

13:30

Introduction and requirements by future facilities

Session | **Location:** CERN, 31/3-004 - IT Amphitheatre

13:30-13:45

Introduction

Speakers

Felix Sefkow, Giovanni Marchiori, Mary-Cruz Fouz Iglesias

13:45-14:15

Requirements from future facilities : Experimental conditions

Speaker

Giovanni Marchiori

14:15-15:00

Requirements from future facilities: Physics drivers on vertexing and tracking (inner + muon)

Speaker

Manqi Ruan

15:00
