

Session Program

30-31 May 2023

ECFA WG3: Topical workshop on tracking and vertexing

Conceptual designs and related R&D challenges, DRD status/plans

CERN, 31/3-004 - IT Amphitheatre

Wednesday 31 May

09:00

Conceptual designs and related R&D challenges, DRD status/plans

Session | **Location:** CERN, 31/3-004 - IT Amphitheatre

09:00–09:40

Conceptual designs and R&D challenges for muon detectors

Speaker

Giulio Aielli

09:40–10:20

DRD1 (gaseous detectors) status and plans

Speaker

Anna Colaleo

11:00
