

# IPPOG public events in Sofia

## Saturday 13 May 2023

### Students session - Sofia Tech Park (16:30 - 19:20)

time	[id] title	presenter
16:50	Drawings	
16:51	[23] The particles are everywhere	
16:52	[24] Particle hunter	
16:53	[33] Black hole	
16:54	[34] Dark matter	
16:55	[35] Atomic	
16:56	[28] The world of particles	
16:57	[25] We are part of the Universe	
16:58	[26] Virtual visit to ATLAS	
16:59	[29] The world of particles-space	
17:00	[30] The world of particles	
17:01	[19] The dark matter - what I saw	
17:02	[43] In my universe	
17:20	Posters	
17:21	[31] The Atom Model	
17:22	[36] The world of elementary particles	
17:23	[40] Dark Matter	
17:24	[32] Applications of the elementary particles	
17:25	[20] Radioactivity - a deadly enemy or invaluable helper	
17:26	[27] The God Particle	
17:27	[44] Big Bang and Its Consequences, Dark Matter and Dark Energy	
18:00	Video clips and models	
18:01	[37] Space girls	
18:02	[21] From the big CERN to the small CERN - one curiosity distance!	
18:03	[22] The small atom's nucleus	
18:04	[41] Dark Matter	
18:05	[42] The Dark Matter
