

Invisibles23 Workshop

Tuesday 29 August 2023

Seventh Session (14:30 - 16:00)

time	[id] title	presenter
14:30	[69] Very High energy Gamma ray burst	BRDAR, Vedran
15:00	[70] YSF V	
	- [1] White dwarf cooling through dark sector physics	HOEFKEN ZINK, Jaime
	- [2] Early Universe hypercharge breaking in radiative neutrino mass models: new prospects for baryo- and leptogenesis	LOZANO ONRUBIA, Álvaro
	- [3] Testing Grand Unified Theories with gravitational waves and proton decay	MARSILI, LUCA
	- [4] Dark matter at the Higgs resonance	Mr MASSARO, Daniele
15:30	[71] Revisiting pseudo-Dirac neutrino scenario after recent solar neutrino data	ANSARIFARD, Saeed
