

**Resolution on conference fees and ample participation.**

**The following Resolution is to replace Resolution No. 3 approved by the 24<sup>th</sup> IUPAP General Assembly held in Berlin, Germany, in 2002.**

To ensure that IUPAP supported conferences (sponsored and endorsed) are accessible to physicists at all stages of their careers and from all groups and countries, IUPAP requires that there should either be affordable registration fee categories or support in other ways to facilitate participation. The Executive Council will recommend yearly the maximum fee for the affordable categories.
