

**Session Program**

**8 March 2011**

**Opto Working Group Mini Workshop**

***Experience with running systems***

CERN, 13/2-005

# Tuesday 8 March

09:00

## Experience with running systems

Session | Location: CERN, 13/2-005

09:00–09:40 **ATLAS optical system status, VCSEL failures, analysis and mitigation**

**Speakers**

Anthony Weidberg, Tobias Flick

09:40–10:10 **LHCb optical system status, VCSEL failures, analysis and mitigation**

**Speaker**

Ken Wyllie

10:10–10:25 **CMS-TK optical system status**

**Speaker**

Dr Jan Troska

10:25–10:40 **CMS-ECAL optical system status**

**Speaker**

Alexander Singovski

10:40
