

# WARWICK WEEK Close-Out

Thank you for attending Warwick Week.

This is the first time we've tried the 'split' format of having a weekend in the middle – I quite liked it, but I'd be interested in knowing what you thought

I hope that the lecture material was

- ⦿ specific enough to help with your project and/or
- ⦿ general enough to give you an interesting overview of other fields of research and, perhaps most of all,
- ⦿ Interesting enough to teach you something new!

*Good luck in your PhD!*

Congratulations on getting to the end – and for the engagement.

*“That’s all Folks!”*
