

11th Symposium on Large TPCs for low-energy rare event detection

- Please mark on your calendar : 11th to 13th of December, 2023 in Paris.
- Topics : Physics and detectors for low energy rare events
 - Light dark matter search
 - Neutrino physics
 - Double beta decay search
 - Low-radioactivity labs and materials
 - Innovative detectors
- Opening of the site on July 1st, 2023

P. Colas, T. Dafni, E. Ferrer-Ribas, I. Giomataris, I. Irastorza, T. Patzak
