# Welcome in Orsay !

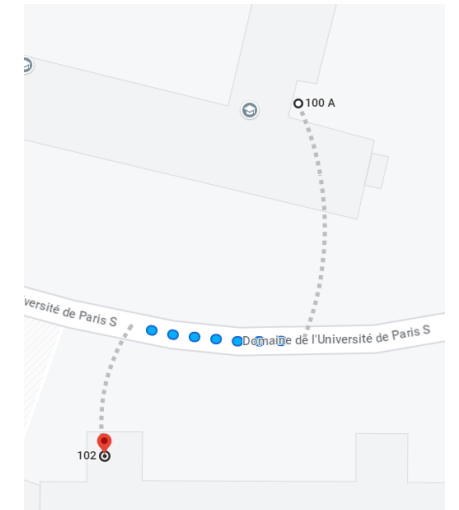

Nice to see/meet again many old faces... and new ones!

# Rooms

- Main room is the Auditorium Joliot Curie
  - Coffee breaks in a room across the hall
  - Several bathrooms around the hall
  - A few plugs in the first rows: please share them!
- An additional room is upstairs (« ground floor »!): A018
  - Mainly for office hours or if need be for a split discussion
- All rooms in the public area: no badge needed to move between them
  - A badge required to enter the building main doors, except the door near the auditorium at 9 am and 2 pm.
- My phone : +33 6 84 38 18 07

# Lunches

- Will be served in a private room in the building 102, opposite side (up) of the street
  - Cafeteria: accessible without a badge
  - 2 minutes from the auditorium
- Veggie options available for those who asked
  - Please do not take them if you have not ordered a veggie option
  - Check your registration if in doubt
  - Declared allergies mentioned: compatible options should be available

# Welcome Drink

- Today (Tuesday) a welcome drink has been organised at a wine bar called [La Part des Anges](#) at Bures-sur-Yvette
  - 18:30: probably better to go directly from the lab
  - 20 minute walk from auditorium or one stop by RER
- Appetizers/tapas offered
- Drink at your expense
- Possibility to stay for a diner (at your expense) if you like the place

# Social Diner

- Thursday evening, Paris downtown, 19:15 – 21:00
  - Price included in registration fees
- Restaurant called [Bouillon Racine](#)
  - 5 minutes from Luxembourg station on RER B
- Fixed menu for everybody except veggies
  - Starter: Tomato gaspacho (flavoured cold soup) with black olives and basil
  - Main course: chicken filet, legume piperade (tomatos, soft chili, ognions) and chorizo juice
  - Desert: Crème brulée

# IJCLab Visits

- Visits scheduled for 2 accelerator related facilities at IJCLab
  - SUPRATech: R&D on supraconducting cavities, <https://www.ijclab.in2p3.fr/plateformes/supratech/>
  - ThomX: compact accelerator + light source, <https://thomx.ijclab.in2p3.fr>
- By group of 15
  - Not intended for locals
- On Wednesday and Thursday
  - Wednesday 10 am: SUPRATech only, others extended coffee break
  - Thursday 10 am : SUPRATech **and** ThomX in //
  - Thursday 10:30 (coffee break): ThomX (second group)

# Miscellaneous

- If you need a Certificate of Attendance, contact me

Enjoy the workshop!
