Program committee composition

Several members of 2010 SPC had not replied or declined the request for confirmation and need to be replaced. Also there is a deficit in superbeam experts

Suggestions:

- someone from Korea (Action Dan Kaplan)
- Someone from India (Action Jorge Morfin)
- Takuya Hasegawa (Alain)
- Bob Palmer /Harold Kirk in replacement of
- Marcos Dracos in replacement of Stavros Katzanevas (Alain)
- Francesco Terranova or Pasquale Migliozi (Alain)
- Jim Strait and Bob Svoboda (Alain)

Deadline for completion of SPC 1st March

Working groups and questions

Working group conveners are now complete.

The list of questions was posted by Gustav and all members are welcome to make suggestions on phrasing of questions or for new questions.

WG3 has a draft program and suggestions for plenary speakers – this was much appreciated.

Other Working groups have an action to quickly come up with their sessions programs.

Miscelanea

poster session Organization Gersende and Alex

Plenary speakers and special talks: it was strongly advised not to have more than about 15 plenary talks to leave plenty of time for the parallel sessions.

Suggested French-language speakers for evening session A. de Rujula, A. Rubbia

Round table discussion John Ellis agreed to chair
