

Session Program

20-21 Jun 2023

**Low Density Materials for Beam
Instrumentation Workshop**

Simulations

CERN, 774/1-079

Wednesday 21 June

10:50

Simulations

Session | **Location:** CERN, 774/1-079

10:50-11:10

Simulation of beam interaction with thin wires - FLUKA and COMSOL codes

Speaker

Jean-Emmanuel Groetz

11:10-11:30

Thermal simulation for wire-scanners

Speaker

Manon Boucard

11:30
