

# **14 International Workshop on Multiple Parton Interactions at the LHC, MPI@LHC 2023**

**Monday, 20 November 2023 - Friday, 24 November 2023**

**University of Manchester**

## **Scientific Programme**

## **Minimum Bias, Underlying Event and Monte Carlo generators**

Conveners: Matt LeBlanc, Andrzej Siodmok

## **Double Parton Scattering**

Conveners: Oleh Fedkevych, Stefanos Leontsinis

## **High multiplicities and small systems**

Conveners: Christian Bierlich, Fabio Colamaria

## **Diffraction and small x physics**

Conveners: Cristian Baldenegro Barrera, Francesco Giovanni Celiberto

## **Collisions with Nuclei**

Jack Holguin, Valentina Zaccolo
