

## **Session Program**

**20-24 Nov 2023**

# **14 International Workshop on Multiple Parton Interactions at the LHC, MPI@LHC 2023**

## ***Remote session***

University of Manchester, Jocelyn Bell Burnell Lecture Theatre, Schuster Building

# Tuesday 21 November

09:00

## Remote session: Mixed

**Session** | **Location:** University of Manchester, Jocelyn Bell Burnell Lecture Theatre, Schuster Building

09:10–09:30

### Double Parton Distributions from Euclidean Lattice

#### Speaker

Jianhui Zhang

09:30–10:00

### Associated production of heavy quarkonia and D mesons in the parton Reggeization approach

#### Speaker

Vladimir Saleev

10:00

# Wednesday 22 November

15:40  
16:00

**Remote session: Mixed**

**Session** | **Location:** University of Manchester, Jocelyn Bell Burnell Lecture Theatre, Schuster Building

15:40–16:00 **Recent results on soft and hard diffraction at the LHC**

**Speaker**  
Christophe Royon
