What is IDCN?

An association of international organizations and corporations facilitating the integration of mobile employee partners through awareness, guidance, and professional networking.

OUR MISSION

- Make relocation more attractive to employee partners
- Ensure the long-term success of international mobility
- Facilitate professional integration of the dual career partner
- Provide a professional network for the dual career partner

IDCN helps to make dual career assignments a success.

HOW ?

By providing:

- ✓ Corporate Events
- ✓ Career Mornings, Workshops
