

## **Session Program**

**11-15 Sept 2023**

# **AI2S2**

## **3rd Symposium on Artificial Intelligence for Industry, Science, and Society**

### ***Keynote***

Geneva, Campus Biotech  
9 Chemin des Mines 1202 Genève

# Monday 11 September

09:00

## Keynote: Responsible Generative AI with Microsoft Cloud

Session | Location: Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

09:00-09:30 **Responsible Generative AI with Microsoft Cloud**

**Speaker**

Philippe Limantour

09:30

09:30

## Keynote: Navigating the way forward on International AI Governance

Session | Location: Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

09:30-10:00 **Navigating the way forward on International AI Governance**

**Speaker**

Andrew Wyckoff

10:00

10:30

## Keynote: Behind the journey of ChatGPT: an overview of Large Language Models and their capacities

Session | Location: Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

10:30-11:00

**Behind the journey of ChatGPT: an overview of Large Language Models and their capacities**

**Speaker**

Laure Soulier

11:00

11:00

## Keynote: The EU AI Strategy

Session | Location: Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

11:00-11:30 **The EU AI Strategy**

**Speaker**

Juha Heikkila

11:30

# Tuesday 12 September

09:00

## Keynote: Physics-inspired learning on graphs

**Session** | **Location:** Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

09:00–09:45 **Physics-inspired learning on graphs**

**Speaker**

Michael Bronstein

10:00

15:00

## Keynote: Towards a Global Data Governance Framework

**Session** | **Location:** Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

15:00–15:45 **Towards a Global Data Governance Framework**

**Speaker**

Steve MacFeely

16:00

# Wednesday 13 September

09:00

## Keynote: AI for Digital Health

**Session** | **Location:** Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

09:00–09:45 **Turning AI promise into medical practice**

**Speaker**

Ger Janssen

10:00

15:00

## Keynote: Computing challenges at the HL-LHC

**Session** | **Location:** Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

15:00–15:45 **Computing challenges at the HL-LHC**

**Speaker**

Dr Maria Girone

16:00

# Thursday 14 September

09:00

## Keynote: GPAI Project RAISE: a Responsible AI Strategy for the Environment

**Session** | **Location:** Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

09:00–09:45

### GPAI Project RAISE: a Responsible AI Strategy for the Environment

**Speaker**

Nicolas Mialhe

10:00

15:00

## Keynote: GPAI and the International Cooperation to ensure an AI For Good

**Session** | **Location:** Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

15:00–15:45

### GPAI and the International Cooperation to ensure an AI For Good

**Speaker**

Inma Martinez

16:00

## Friday 15 September

09:00

### **Keynote: Oversight of AI algorithms in social media: recommender algorithms, harmful content classifiers, and generative AI models**

**Session** | **Location:** Geneva, Campus Biotech, 9 Chemin des Mines 1202 Genève

09:00-09:45

### **Oversight of AI algorithms in social media: recommender algorithms, harmful content classifiers, and generative AI models**

**Speaker**

Alistair Knott

10:00
