

**Session Program**

**8-12 Jan 2024**

**XXX Cracow EIPHANY Conference on  
Precision Physics at High Energy Colliders**

***Heavy Flavour***

Auditorium Maximum, Aula Mała

# Monday 8 January

14:45

## Heavy Flavour

**Session** | **Location:** Auditorium Maximum, Aula Mała | **Convener:** Zbigniew Andrzej Was

14:45-15:15

### Spin effects in tau-lepton pair induced by anomalous magnetic and electric dipole moments

**Speaker**

Alexander Korchin

15:15-15:45

### Monte Carlos for tau lepton Standard Model and New Physics signatures

**Speaker**

Swagato Banerjee

15:45-16:15

### Tau physics at Belle and Belle II

**Speaker**

Klemens Lautenbach

16:15

# Friday 12 January

09:00

## Heavy Flavour

**Session** | **Location:** Auditorium Maximum, Aula Mała | **Convener:** Antoni Szczurek

09:00–09:30 **Anomalies and precisions : latest CMS B-physics highlights**

**Speaker**

Muhammad Alibordi

09:30–10:00 **Vcb and Vub measurements at Belle and Belle II**

**Speaker**

Moritz Bauer
