

Session Program

Jan 8 - 12, 2024

**XXX Cracow EIPHANY Conference on
Precision Physics at High Energy Colliders**

Future

Auditorium Maximum, Aula Mała

Tue, January 9

11:30 AM

Future

Session | **Location:** Auditorium Maximum, Aula Mała | **Convener:** Janusz Gluza

11:30 - 12:00

Precise measurement of light-quark electroweak couplings at future colliders

Speaker

Krzysztof Mekala

12:00 - 12:30

Gamma Factory and precision physics at LHC

Speaker

Wiesiek Placzek

12:30 - 13:00

Generators: Back to the Future

Speaker

Andrzej Konrad Siodmok

13:00 - 13:30

Prospects for single- and di-Higgs measurements at the HL-LHC (ATLAS and CMS)

Speaker

Lei Zhang

1:30 PM
