

Session Program

8-12 Jan 2024

**XXX Cracow EIPHANY Conference on
Precision Physics at High Energy Colliders**

Staszek

Auditorium Maximum, Aula Mała

Wednesday 10 January

14:30

Staszek

Session | **Location:** Auditorium Maximum, Aula Średnia | **Convener:** Prof. Marek Jezabek

14:30–15:10

Methodology of precision Monte Carlo development

Speaker

Zbigniew Andrzej Was

15:10–15:50

Staszeck Jadach: Precision measurements at LEP and FCC-ee

Speaker

Alain Blondel

15:50–16:30

Staszek Jadach: the first FCC-ee precision measurement with real data

Speaker

Patrick Janot

16:30

17:00

Staszek

Session | **Location:** Auditorium Maximum, Aula Średnia | **Convener:** Prof. Marek Jezabek

17:00–17:40

The discovery of the Standard Model: a subjective stroll

Speaker

Rolf Heuer

17:40–18:20

YFS Exponentiation - Gate to Precision Accelerator Physics Measurements

Speaker

Bennie Ward

18:20
