

## Session Program

9-11 Oct 2023

## 3rd CERN Baltic Conference (CBC 2023)

### *Detectors*

Riga Technical University, 268  
Kipsalas iela 6A

# Tuesday 10 October

14:20

## Detectors

**Session** | **Location:** Riga Technical University, 268, Ķīpsalas iela 6A

14:20–14:40

### **Raman and FTIR spectra analysis of radiation effects on neutron-irradiated CVD diamond crystals**

**Speaker**

Alise Podelinska

14:44–15:04

### **CERN related activities by the group of Photoelectric Phenomena at Vilnius University**

**Speaker**

Tomas Ceponis

15:08–15:28

### **CMS Phase-2 Inner Tracker Pixel Chip Prototype Tests**

**Speaker**

Marijus Ambrozus

15:32–15:52

### **Status of the MIP Timing Detector project for the CMS Phase-2 upgrade**

**Speaker**

Karlis Dreimanis

15:55
