

# Quantum Techniques in Machine Learning (QTML conference 2023)

## Friday 24 November 2023

### Quantum Reservoir Computing - 500/1-001 - Main Auditorium (15:45 - 16:15)

-Conveners: David Windridge

time	[id] title	presenter
15:45	[28] Hybrid quantum-classical reservoir computing for solving chaotic systems	WUDRASKI, Filip
16:00	[27] Next Generation Quantum Reservoir Computing: An Efficient Quantum Algorithm for Forecasting Quantum Dynamics	THIPARAT, Chotibut
