

ECFA

European Committee for Future Accelerators

ECFA-ECR panel meeting
27 June 2023

Introduction

RECFA/PECFA delegates

Role: Join PECFA/RECFA meetings to represent ECR view, update them on our activities.

- PECFA: discuss and decide on all ECFA activities. (up to 5 ECR delegates)
- RECFA: advisory board to help shape the ECFA programme. (1 ECR delegate: Lydia)
- *One space still open if anyone else would like to take on this important role!*

Lydia Brenner
(Nikhef)

Eleonora Diociaiuti
(INFN, Frascati)

Henning Kirschenmann
(University of Helsinki)

Armin Ilg
(University of Zurich)

Organisation committee

Responsibilities for the organisation committee are:

- organize and prepare ECFA-ECR panel meetings
- chairing and minutes taking for meetings
- managing ECFA-ECR mailing list (ecfa-ecr@cern.ch) & mattermost (<https://mattermost.web.cern.ch/ecfa-ecrs>)
- serve as point of contact for public correspondence

Please contact us for any issue/question via

ecfa-ecr-organisers@cern.ch

Holly Pacey
(University of Oxford)

Valentina Zaccolo
(University and INFN, Trieste)

Jan-Hendrik Arling
(DESY)

Please also consider to join the OC!

Instrumentation Working Group

- Previously this WG has:
 - Produced a Survey + [Report](#) on Training in Instrumentation
 - [Presented](#) the report at the 15th Pisa Meeting on Advanced Detectors
 - Maintaining a [website](#) with Schools for ECRs in HEP Instrumentation
- (Egroup: ecfa-ecr-detector@cern.ch)
- Now, dormant apart from Armin maintaining website.
- Do you want to see more from this WG?
 - Suggest of more projects?
 - **Provide person-power!**

Recent Highlight: FCC Week ECR Session

- FCC Week [article](#) - including this! [Indico page](#)
- Organised by our previous panel member Sarah Williams.
- Organised by ECRs, for everyone.
- Agenda:
 - Intro talks on strategy for ECFA (Armin) and Snowmass (Julia Gonski) recommend to take a look, Snowmass comparison v. interesting :)
 - Open Q&A with an ECR panel, including Armin too.
- Got good feedback ->

*Something to consider
repeating at similar events!*

Today's meeting

- Report from RECFA/PECFA delegates
 - next PECFA meeting: [12th July](#)
- Status reports from active working groups
 - WG: Future Colliders (new!)
 - WG: Software and Machine Learning Applications for Instrumentation (new!)
