Programme Website

The screenshot shows the Indico website for the International Teacher Weeks Programme 2023. The header features a globe made of flags and the title "International Teacher Weeks Programme". Below the header, the dates "6-19 Aug 2023" and location "CERN" are displayed. A search bar is present on the right. A left sidebar contains navigation tabs: "Overview", "Timetable", "Videoconference", and "Administrative Support". The main content area includes a description of the program, contact information for the Teacher Programmes Manager (Jeff Wiener), emergency contact details, and event timing (Starts 6 Aug 2023, 17:00; Ends 19 Aug 2023, 08:00). It also notes that there are no materials yet and provides information about the scientific programme and agenda availability.

The **International Teacher Weeks Programme 2023** will take place from 6-19 August 2023. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We hope our participants will go back as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists ...
