

Session Program

13 March 2006

**Mini Workshop on Radiation hard Optical
Fibres for the LHC machine**

Future Radiation Test and Modelling

CERN, 54/2-035

Monday 13 March

16:00

Future Radiation Test and Modelling

Session | Location: CERN, 54/2-035

16:00-16:20 **Future sample test with Co-60 at Fraunhofer INT**

Speaker

Mr Jochen Kuhnhen

16:30-17:00 **Radiation test of SM fibres in a complex radiation field**

Speaker

Mr Thijs Wijnands

17:00
