

Hogyan vigyünk diákokat a CERN-be?

Visit CERN

Group bookings

Key information

**Groups (12 visitors and more) have to book their visit to guarantee their access.
Bookings are usually opened 9 months in advance and all capacity is taken in a few days.**

Bookings are usually opened 9 months in advance and all capacity is taken in a few days.

From October 2023, CERN Science Gateway will offer the following activities to groups:

1. **Interactive exhibitions**
2. **Lab workshops** (for groups of school students)
3. **Guided Tours** on CERN site

In addition, 1 month before the visit, additional activities may be offered such as science shows, film screenings etc.

Our activities are free of charge.

Be cautious with offers from commercial companies claiming they had pay for a CERN visit.

For groups of 12 to 48 visitors. For larger groups, please [contact us](#).

From Tuesday to Saturday, Sunday is reserved for individual visitors.

[Check exceptional closures](#)

Here are the typical activity durations:

1. Interactive exhibitions: **1.5 to 2 hours for the 3 exhibitions**
2. Lab workshops: **45 minutes** (age 5-15), **90 minutes** (age 16-19)
3. Guided tours: **2 to 3 hours**

Here are the recommended ages for each activity:

1. Interactive exhibitions: **8 years old and over**
2. Lab workshops: **5 years old and over**
3. Guided tours: **12 years old and over**

Minors have to be accompanied by adults at all times

Minors have to be accompanied by adults at all times

Exhibitions are available in 5 languages (English, French, German, Italian, Spanish)

Lab workshops and guided tours can be provided in up to 30 languages (depending on guide availability).

If you requested a guided tour and if accepted, as they take place inside CERN fenced site, you will be requested to provide the details of all the members of your party no later than 1 month before the tour (last name, first name, date of birth, place of birth, country of birth and nationality) - [More information on what we do with visitors' personal data.](#)

CERN does not accept requests by commercial companies selling activities including visits of CERN (Tour operators, event operators). School/university requests must be submitted via an official school or university e-mail address.

Procedure for requesting a group visit

1. Click on button below to access booking form
2. Define your group profile (category, number of visitors, language, country, transport etc.).
3. Select the activities you are interested in (the more you pick, the less dates are available)
4. Pick one available date. If no date is available try again another day.
5. Provide contact information about your group and submit your request.
6. Your request will be approved or rejected by the Visits Service within five working days. Wait for your request to be approved before making firm travel and accommodation arrangements.

Universe of Particles

A totally unique experience visiting the exhibition "Universe of Particles"

The entire Universe is made up of particles. But where do they come from? What laws govern their behaviour? The purpose of the "Universe of particles" exhibition is for visitors to confront the great questions of contemporary physics, currently being explored by the CERN via the LHC and other accelerators.

Dive into the fascinating world of particles.

EXHIBITIONS

Universe of Particles

Microcosm

Opening Hours

How to get to CERN

Travelling exhibitions

Passport to the Big Bang

Opening Hours

Universe of Particles

- Monday to Saturday: 10am to 5pm
- A 6 minutes movie about physics at CERN is shown every 30 minutes.
In English: 10:15, 11:15, ..., 15:15, 16:15
In French: 10:45, 11:45, ..., 15:45, 16:45

Microcosm

- Monday to Friday: 8:30 to 17:30
- Saturday: 9:00 to 17:00

Admission

The exhibitions are free of charge

Yearly CERN closure 2018/2019

"Universe of Particles" and "Microcosm" will be **closed from Saturday 22 December 2018 to Sunday 6 January 2019 inclusive**

Exhibitions will close on Friday 21st December 2018 as from 4:30 pm

CMS virtuális látogatás

Béni Noémi, Szillási Zoltán
tudományos munkatárs, tudományos főmunkatárs

ELKH, Atommagkutató Intézet (ATOMKI), Debrecen

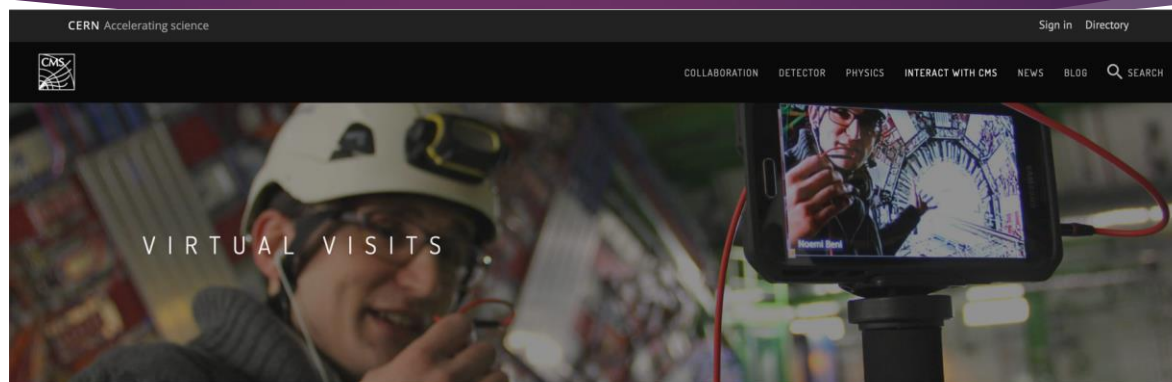

Mi is ez?

- Videokonferencia kapcsolat segítségével a CMS kísérlet látogatása
- Olyan helyekre is be lehet vinni a kamerát ahova látogatót nem lehet beengedni
- Mi kell hozzá?
 - **Iskolából**
 - Megfelelő sebességű internetkapcsolat (a vonalbiztonság érdekében drótos)
 - Video projektor / nagy meretű TV készülék
 - Zajsűrűs mikrofon
 - Kamera
 - **Távoktatás esetén**
 - A diákok otthonról bejelentkeznek a Zoom webinar szobába
 - A hallgatóság mikrofonja le van tiltva, írásban tud kérdéseket feltenni a Q&A felületen, így interaktív marad a látogatás.
 - A tanár mikrofonja és kamerája viszont aktív
- A látogatás előtt legalább egy héttel technikai teszt

CMS Virtuális látogatás

<https://cms.cern/interact-with-cms/virtual-visits>

CMS Virtual Visits offer students, teachers and the general public a unique opportunity to explore the experimental site of the CMS detector. Through a web-based videoconference, CMS scientists interact with visitors in their native language, explain the physics and technology behind the experiment, and answer their questions.
