(Current) Action

June 2023

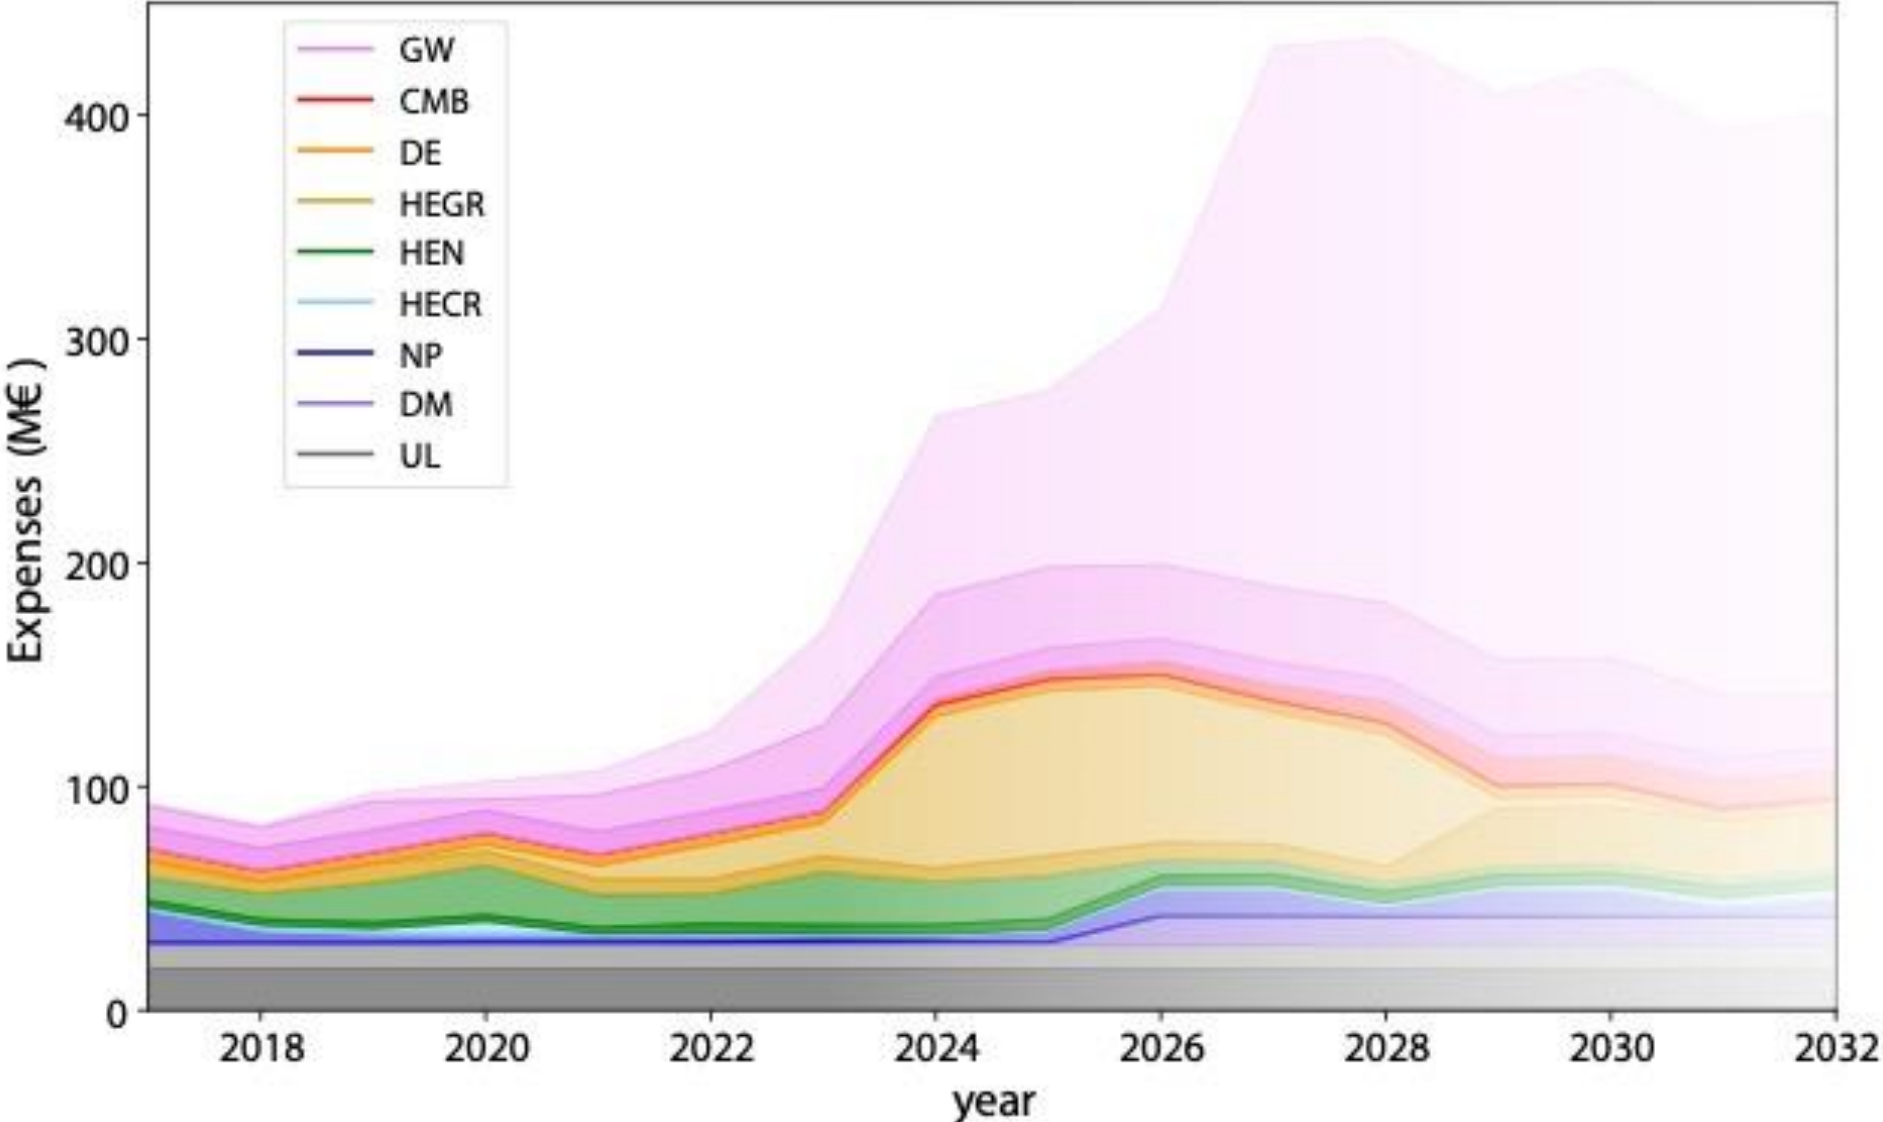

Final draft for strategy update submitted to the GA for endorsement

- Test was discussed page-by-page in May GA meeting, all requested changes implemented
- The resources figure was updated including the numbers/amounts/resources suggested in the May GA meeting, the associated text was updated as well
- The amended draft was circulated again in the SAC, which proposes some mild improvements and otherwise approves by consensus
- The final draft is on Indico, as Word track changes wrt. the May version, and as clean version (the “draft” across the pages to be removed after endorsement)

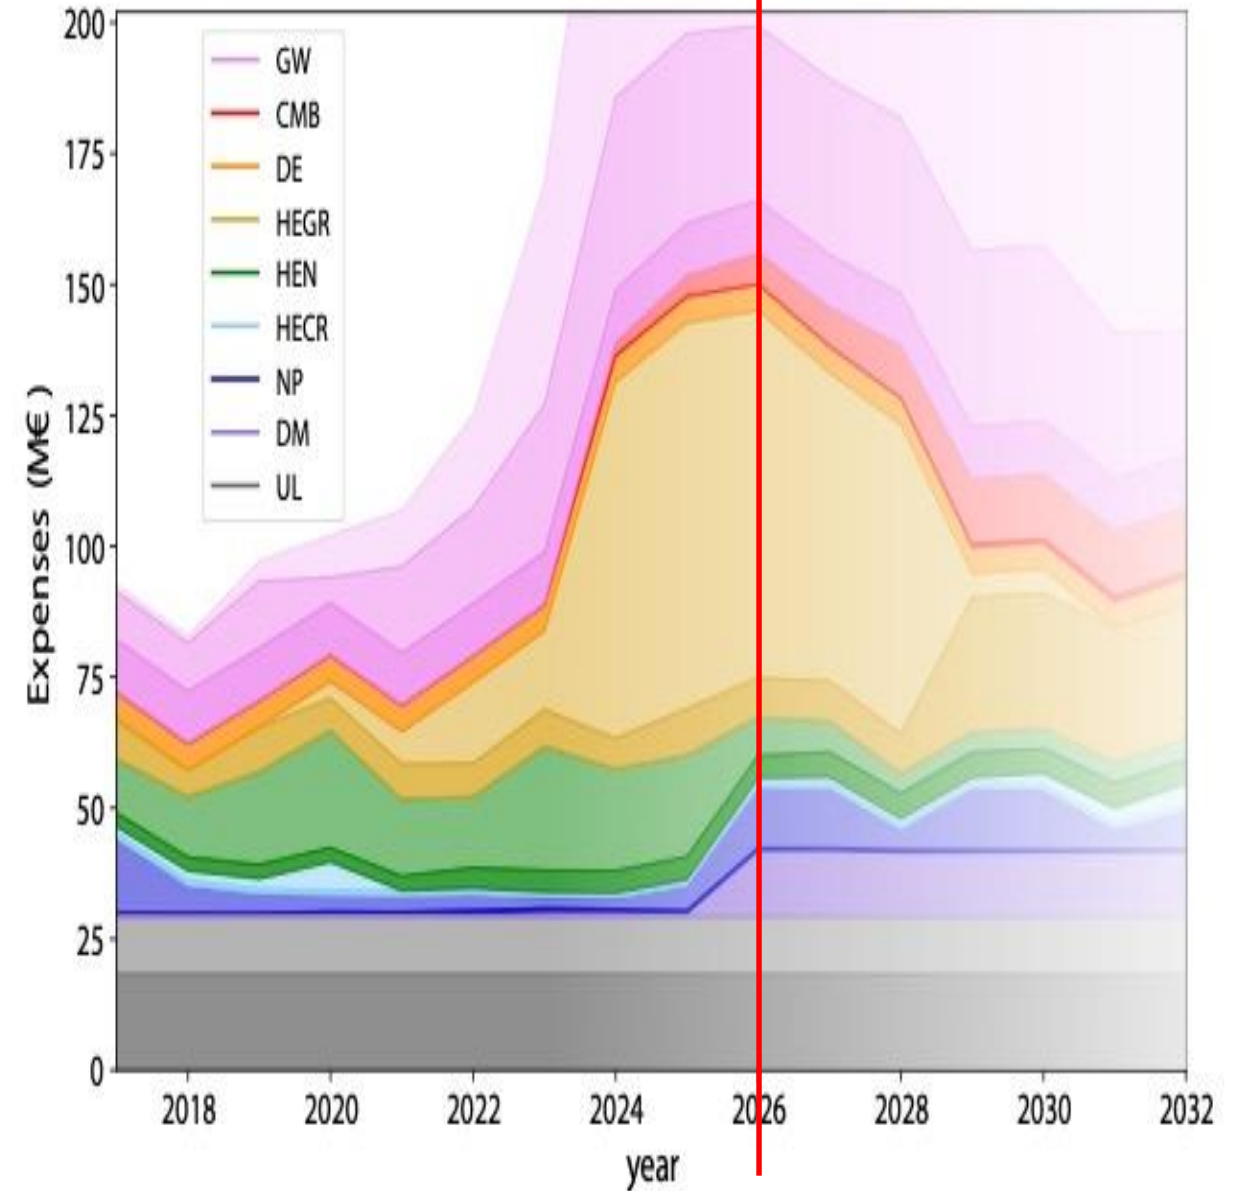

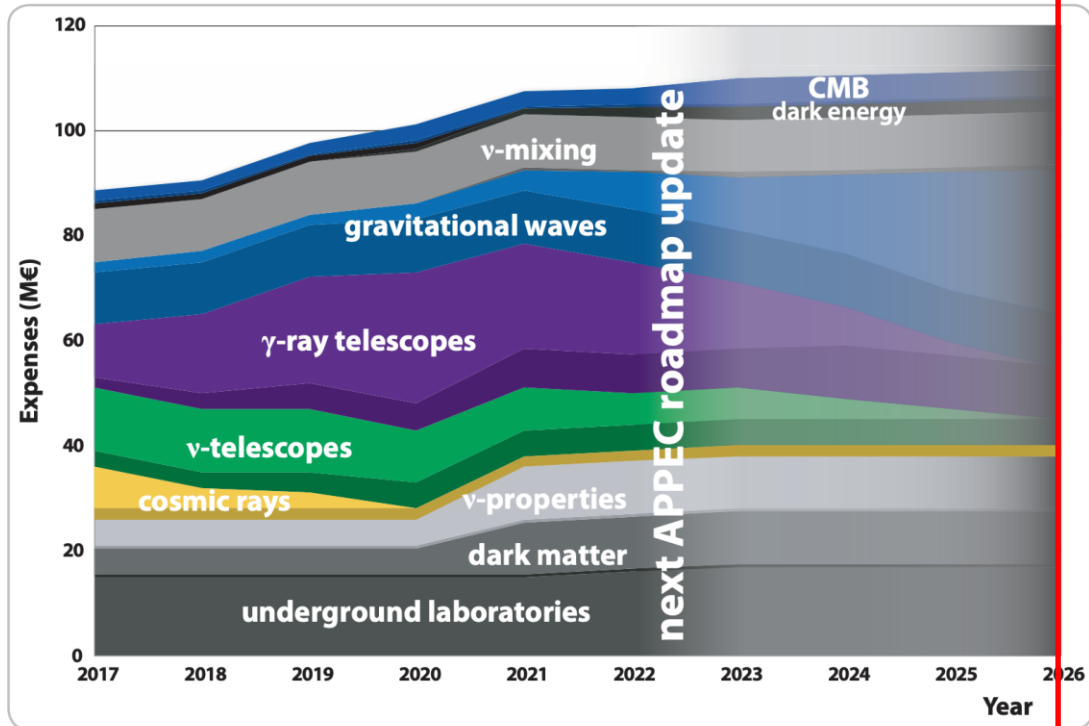

The request to the GA today is

- **To formally endorse the content of the document**
- **To delegate the formatting/layout to the (joint) secretariat**
