# The new format

This year we opted to give priority to posters, and have only a few highlight talks

We hope you liked it!!! Feel free to send feedback to [iml.coordinators@cern.ch](mailto:iml coordinators@cern.ch)

Recordings will start to pop up on the indico agenda as mp4 files next week

# Certificates

If you didn't pick up your certificate yesterday, please reach out to us immediately after this closing talk (to make sure we can see you were present in person) and we will provide the certificate to you

# Poster Award!

- François Charton (META)
- Verena Kain (CERN)
- Lorenzo Moneta (CERN, chair)
- David Rousseau (IJCLab)

# Coordinators turnaround

Welcome Daniel!

A special thanks to Michael for the excellent term!!!

Fabio Catalano (ALICE)

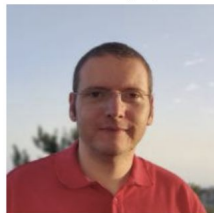

Lorenzo Moneta (SFT)

Pietro Vischia (CMS)

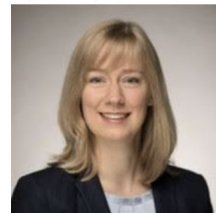

Stefano Carrazza (TH)

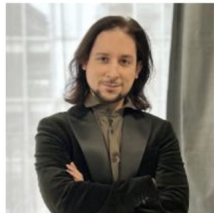

Michael Kagan (ATLAS)

Anja Butter (TH)

Julian Garcia Pardinás (LHCb)

Daniel Whiteson (ATLAS) [NEW!]

# What's next

We remind you that you can ask for a (typically, 25'+5') slot to present at any of our monthly meetings. Just send us your request at [iml.coordinators@cern.ch](mailto:iml coordinators@cern.ch)

As customary, since we just had the workshop the next meeting will probably be in two months.

This year we opted to give priority to posters, and have only a few highlight talks

We hope you liked it!!! Feel free to send feedback to [iml.coordinators@cern.ch](mailto:iml.coordinators@cern.ch)

A huge thanks to the invited speakers and tutorial givers!!!

# Ultimately, thanks to **YOU!**

- The workshop is successful because of you!
- We hope to see you again next year, and in the next months at the monthly meetings
