## My hobbies

*and any  
outdoor  
activity  
with my  
family!*

A scenic view of a dirt path winding through a pine forest. The path leads towards a blue lake under a clear sky. The trees are tall and thin, with green needles. The ground is covered in dry pine needles and some green plants. A large grey rock is visible in the foreground on the right.

- ◆ What you can achieve is generate interest in a technology or a problem
  - ◆ Find other persons working on similar topic and exchange experience
- ◆ Give pointers to the detailed solution of the problem or to the challenges you are facing

# Discussions with Tom on his lecture

- ◆ Tom is available during the coffee breaks here or in the garage to answer questions
- ◆ (Same for all other lecturers)

# sCSC 2023, Split, Croatia

- ◆ Are you ready to write history ?
