Many Thanks !!

Thanks to the **FCC Week 2024 Program Committee** and to the **FCC coordination group members** for putting together a really interesting program !

Many thanks to the **session conveners** for keeping order during these dense days, to all **presenters** for the outstanding quality of work and contributions, and to all **participants** for having joined us for this 10th edition of the FCC Week.

Thanks also to the **Scientific Advisory Committee** for their review work and guidance!

Particular thanks to the **FCC Week backstage team**:

The administrative team:

- **From SLAC:** Adrienne Higashi, Glenna Paige
- **From CERN:** David Goldsworthy, Julie Hadre, **Jeanette Kotzian, Alessia Valenza**

The helpers: Ryan Hensley, Kenny Jia, Sushrut Karmarkar, Logan Knudson, Gregor Krzmann, Liam Sherman, Giulia Nigrelli
