Programme Website

The screenshot shows the website for the Danish Teacher Programme. At the top, there is a blue header with the Danish flag on the left and the text "Danish Teacher Programme" on the right. Below the header, the date "7-12 Apr 2024" and "CERN Europe/Zurich timezone" are displayed on the left, and a search bar with the placeholder "Enter your search term" is on the right. A left sidebar contains navigation links: "Overview", "Useful links", "Timetable", and "Administrative Support:" (with an email icon and "teacher.programmes@c..."). The main content area features a paragraph about the programme, a link to the Indico page, contact information for the Teacher Programmes Manager (Jeff Wiener), emergency contact details for the CERN fire brigade, and event timing (7-12 April 2024, 16:00-16:30) and location (CERN). It also lists organizers (Lars Varming Joergensen, Erland Andersen, Jeff Wiener) and a note that there are no materials yet. A final information box at the bottom states that scientific programme and agenda details will be available under the Timetable, and arrival information and participation confirmation will be sent via email.

The **Danish Teacher Programme 2024** will take place from 7-12 April 2024. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We hope our participants will go back to Denmark as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists...
