

Next steps

Submitted question:

What can we do to support HIKE, KOTO-II, and the LHCb kaon programme?

Whitepaper / writeup

Purpose / Audience

- compact & high-level summary of talks and discussions
- inform non-kaon community about status and th+exp outlook

Format

- one contribution per talk or discussion session
- summarise talks + discussions
- include your most informative plots & tables (also new ones)
- ~ 1-page text summary per contribution
- think which plot/table/message most likely triggers interest outside community

Organisation / timeline

- **Text while discussions fresh in our memory – 1 week (Friday 22.09.2023)**
- **Plots and tables can come later**
- **Cristina + Andreas + Augusto + Karim + ? will edit**
- **Will circulate during process (Overleaf?)**
- **Aim at 1-month timeline?**
- **Workshop participants invited to sign**
