Update on α_s from hadronic tau decays

Wednesday, 6 December 2023 11:50 (20 minutes)

We discuss recent work on the methodology for determining the strong coupling, α_s , from hadronic tau decays. In particular, we address a number of concerns that have been raised with regard to the method we employ, showing that all of these concerns are unfounded.

Name of collaboration or list of co-authors

Diogo Boito, Maarten Golterman, Kim Maltman, Santiago Peris

Primary author: GOLTERMAN, Maarten

Co-authors: BOITO, Diogo; MALTMAN, Kim; PERIS, Santi

Presenter: GOLTERMAN, Maarten

Session Classification: Wednesday before lunch
