

The 17th International Workshop on Tau Lepton Physics (TAU2023)

Wednesday 6 December 2023

Wednesday before lunch: QCD (10:50 - 12:30)

-Conveners: Zbigniew Andrzej Was

time	[id] title	presenter
10:50	[38] The Euclidean Adler function and its interplay with low-energy data and α_s	RODRIGUEZ SANCHEZ, Antonio
11:10	[9] New Physics in Hadronic Tau Decays	DÍAZ CALDERÓN, David
11:30	[81] Renormalon subtraction in hadronic tau decays	Dr TAKAURA, Hiromasa
11:50	[30] Update on α_s from hadronic tau decays	GOLTERMAN, Maarten
12:10	[44] Difference between fixed-order and contour-improved perturbation theory	PERIS, Santi
