

# The 17th International Workshop on Tau Lepton Physics (TAU2023)

## Thursday 7 December 2023

### Thursday after lunch: Neutrino (13:30 - 15:30)

-Conveners: Alexander Friedland

time	[id] title	presenter
13:30	[32] Neutrino Mixing Parameters	LI, Shirley
13:50	[25] Anomalous Tau Neutrino Appearance from Light Mediators in Short-Baseline Neutrino Experiments	Prof. DUTTA, Bhaskar
14:10	[60] Matter effects in the muon to tau neutrino probability ( $P_{\mu\tau}$ ) at long baselines	GOSWAMI, Srubabati
14:30	[67] Tau Polarization and Correlated Decays in Neutrino Experiments	ISAACSON, Joshua
14:50	[48] Non-standard and secret neutrino interactions at future tau neutrino experiments	Prof. SHIN, Seodong
15:10	[31] TAMBO: Searching for Tau Neutrinos in the Peruvian Andes	THOMPSON, Will
