

# The 17th International Workshop on Tau Lepton Physics (TAU2023)

## Friday, 8 December 2023

**Friday before lunch: G-2, LFV, HFLAV (11:10 - 12:50)**

-Conveners: **Pablo Roig**

time	[id] title	presenter
11:10	[91] Hadronic vacuum polarization contribution to the muon $g-2$ from lattice QCD	KUBERSKI, Simon
11:35	[92] Tau hadronic decay input for Muon $g-2$	IZUBUCHI, Taku
12:00	[33] Global analysis of Lepton Flavor Violating Operators	MEREGHETTI, emanuele
12:25	[72] Status and plans of tau fits for HFLAV/PDG	LUSIANI, Alberto
