

The Future of High Energy Physics: A New Generation, A New Vision

Contribution ID: 51

Type: **not specified**

Group Gondola and Lunch (Click to See Description!)

Wednesday 27 March 2024 11:30 (2 hours)

- “Winter Sightseeing” Gondola Tickets (courtesy of The University of Tennessee, Knoxville)
- Lunch (on your own) at the top of Aspen Mountain

During the morning session, communicate to the organizers if you'd like to join so that we can get a headcount, and we will leave the center together to purchase tickets as a group.
