

**Session Program**

**24-29 Mar 2024**

**The Future of High Energy Physics: A New  
Generation, A New Vision**

***Future of Cosmology***

Aspen Center for Physics

# Tuesday 26 March

08:00

## Future of Cosmology

Session | Location: Aspen Center for Physics

08:00-08:25

### Big Picture Questions in Cosmology

**Speaker**

Tracy Slatyer

08:25-08:50

### CMB Physics

**Speaker**

Ritoban Basu Thakur

08:50-09:15

### WIFI: A Novel mechanism for Dark Matter Production

**Speakers**

Gab Montefalcone, Katherine Freese

09:15
